What do au pairs studying at Eurocentres really think about us?

Adele Ascione from Italy

- > I've been studying in Eurocentres for two months. When I came here I didn't speak English very well, now my speaking is fluent
- > We have done a lot of grammar practice with our teacher. She is very polite and has helped me to become much better than before
- > The lessons are short but intensive and our teacher has given us the opportunity to improve our English in only 2 months
- > Eurocentres organises trips and parties every week too! I'm happy that I chose this school

Alexia Afonso from France

- > I need English for my studies and my future, without this language it is harder to succeed today
- > I chose Eurocentres because it is a recognisable school and a very successful school
- > I have not been in London for a long time and I needed to be able to improve my English quickly. In a short time I have learnt a lot
- > Also I didn't get bored because we did many different types of exercises - writing, listening, speaking, games etc
- > I recommend this school if you want to improve your English accurately in a short amount of time

Burcu Cihan from Turkey

- > I've been studying a part-time course at Eurocentres for 6 weeks. It was very difficult to find a part-time course because I'm an au pair and needed to get a course that fitted in with my responsibilities
- > I remember the first time I came to Lee Green to get some information about courses I realised that everything was perfectly organised at Eurocentres
- > Like everyone at the start of a course I was worried about teachers, the course system & materials, but after a short time everything became great
- > The most important thing for this has been our teacher, who has been so helpful and nice and has given us lots of materials and we have had a close relationship with her.

Nilhal Gundas from Turkey

- > I've been studying a part-time course at Eurocentres for 6 months**
- > Eurocentres is the best course for au pairs. At the beginning my host family helped me to enrol because I couldn't understand clearly and couldn't speak**
- > Now when I am speaking I am feeling much better. I like my teachers they are always friendly and helpful**
- > I also got an opportunity to meet and find a best friend during the course**

 See you at Eurocentres soon
